▪ About OIDA Strategic Intelligence

OIDA Strategic Intelligence is a new independent consulting firm serving clients in the Aerospace, Defence and Maritime industries. With a team of experienced analysts, service professionals, and a network of regional and subject matter experts, we gather, classify, and analyse information from a wide range of open sources. OIDA Strategic Intelligence adds insightful analysis to the data providing market intelligence, forecasting, proprietary research, and consulting services to our clients.

Our analysts have earned widespread expertise from international organisations (NATO, United Nations, European institutions), armed forces (French Army and Navy), the defence industry (DCNS, Nexter, SAGEM), consulting firms, and other institutional organisations.

Founded in 2015, OIDA Strategic Intelligence is headquartered in Nice, France with additional operations based throughout Europe.

We assist clients in the following areas:

- Market Survey & Forecasting
- Competitive Intelligence
- Acquisition Targeting
- Special Program Tracking
- Lobbying
- Pricing & Bidding Strategy
- Sales & Business Development Support
- Training
